

## Newsletter article for October

Football is under way. Fall is upon us. The leaves are turning. If you are like me, this is the best season of the year. We are fortunate to live in this area; to enjoy all 4 seasons. We have a lot to be thankful for. And along with you and the millions of other faithful veterans that served in the military, we live in the greatest country in the world.

***WE NEED YOU!*** The Auxiliary needs volunteers to help park cars for the fair beginning on October 23 and continuing through October 31. For more information concerning the hours you are needed, contact Charlotte Moss at 706-313-1769 or 706-278-1769. Please help if you can, even if it is just for one (1) hour.

The Auxiliary is also planning a “Trunk or Treat” on October 31. Pass the word along to your family and friends. It should be a good time for kids and if the truth was known, the adults will enjoy themselves too.

Our next meeting is October 29<sup>th</sup>. Please make plans to attend and bring a friend. You never know if someone would become a member unless you ask.

As is our custom, we will not have a regular meeting in November, so as not to clash with celebrating Thanksgiving. Don't forget our Christmas party on Saturday, December 5<sup>th</sup>, beginning at 6:00 PM. The Legion singers will be our entertainment.
