Thank you for electing me as your new Commander! We are making plans to do a lot this year. One of the main things we have plans for is to increase our membership and to increase the number of paid members attending monthly meetings. If you would like to attend our monthly meeting, and do not have a way to get to the meeting, please call the American Legion Post 112 and we will arrange for someone to come and get you and take you back home.

Also, if your birthday is in the same month as our meeting, please let us know and we will have a birthday cake for you at our regular monthly meeting.

Starting in August, we will have a raffle. Each member will be sent a

raffle ticket. If your number is drawn, you will win \$50.00, and your dues will be paid for the year. However, you must be present to win.

A "fish cookout" will be held on August 5, 2023. The time will be 12:00 noon until 3:00 pm. All Veterans are welcome to attend with no charge for the dinner. We also plan to have many other activities during the coming year.

Please know that I am proud to serve as Commander of this great Post. I will work diligently with our officers and will go the extra mile to do whatever is necessary to serve our veterans.

For God and Country,

Jim Lovain
Commander

The American Legion recently held it's Fourth of July celebration. The Ladies Auxiliary participated by holding a Cake Walk and it was a big success, plus a lot of fun!

At the celebration, we also sold tickets on a basket (filled with goodies and gift cards worth over \$400) - Martha Ball won the basket.

At our last meeting we voted to give \$1,000 to an organization that helps disabled veterans to have a garden. This is very therapeutic for many veterans.

We are happy to report we now have 63 paid members. If you haven't paid your dues, contact Wanda Tibbs.

Ladies, don't forget to bring desserts to our next meeting!

Our best days are before us,

Wanda Parker, Auxiliary President

"Howdy Ya'll!"

"Mothers hold our hands for a while and our hearts forever" – Unknown. A lot has happened since my last communication. Vicki fell and broke both bones in her arm last week. We just got back from surgery to bolt her back together with a plate and pins. (She is a proud mother, as well, with two strapping boys). The next day my Mama (88) passed away and moved on to her heavenly home. She had four children, lots of grandkids, and three great-grandkids. I'm really glad she made me take piano lessons, you know?! Our honor guard presented the American Flag and all branches' hats at Burr Park that Friday night. 3000 + citizens reciting the Pledge of Allegiance and singing our National Anthem was very inspiring! The next day a lifetime buddy, and heckuva trumpet player died; so I'm heading that way now to pay my respects. Tomorrow I'm jamming with a Blues band beside the Ocoee River in TN. Sunday morning play piano in Eton and Mineral Springs. Join us at our next SAL meeting & tell us what YOU have been up to lately.

Sing-cerely,

Anthony J. Robertson, SAL Commander
